EDUCATION	University College Dublin <i>BEng Electronic Engineering</i> Final GPA 3.74/4.2, First Class Honours	2016-2021
	École polytechnique fédérale de Lausanne <i>Erasmus Exchange in Electronic Engineering</i>	2018-2019
EXPERIENCE	EOFIS <i>eofis.ie</i> <i>CTO, Co-Founder</i>	May 2021-Present
	<ul style="list-style-type: none">Responsible for technical aspects of company's success.Development of VueJS frontend and Python and AWS backend.As thesis implemented prototype cloud-based automated flashcard generation system from online sources.	
	Irish Photonic Integration Centre , Tyndall National Inst. <i>Summer Bursary Student</i>	June-August 2020
	<ul style="list-style-type: none">Designed and implemented photon time of flight simulation software.Collaborated with rest of biophotonics research team.	
PROJECTS	Spanish Point Technologies <i>Developer, QA Intern</i>	June-August 2017,2018; March-August 2019
	<ul style="list-style-type: none">Developing applications with C#, JavaScript, NodeJs, Python and SQL.Developing post-deployment tests for React and REST web application.Coordinated testing of several long-running projects.	
	bit.ly/SPICEBAGsim a spice-like circuit simulator and gui in Python and FORTRAN. bit.ly/Fyftem a Forth interpreter, written in x86_64 assembler. bit.ly/ChucklesOS the Chuckles Operating System. x86 single tasking operating system written in C and developed using GNU tools on Linux. bit.ly/LLProtocol a link layer protocol performing reliable transmission over a faulty physical link; detects errors and ensures eventual receipt of data. Designed with a REST-like api and developed in a team of four as a class project in UCD. bit.ly/DomotiqueSimulation a C++ simulation of a home automation system.	
SKILLS	Captain of the UCD Judo club for the 2019-2020 year. Current PRO. Experience with small to medium projects in Python, C, C++, Intel x86_64 assembly, VHDL, and MATLAB. Also Forth, C#, R, MS SQL, Javascript, CSS and HTML. Git source control software, GNU development tools. Experience maintaining and developing personal and server Linux systems. Speak French to the CEFR level B2 (Upper Intermediate) and have a working proficiency in Italian.	
INTERESTS	Forth and Factor; applications of deep learning; Judo, BJJ; flute, tin whistle and guitar.
